

EARTHQUAKE SUPPLIES / EQUIPMENT

EARTHQUAKE SUPPLIES FOR EVERYONE

In case you can not get home (for any reason) be sure to keep supplies available. Use these supplies on a regular basis and replace as needed. IT JUST MAKES SENSE!

Bottle of water (at least 1)	First Aid kit
Flashlight & extra batteries	Whistle
Medications you MUST TAKE every day to survive	Gas tank always kept at least 1/2 full
Space Blanket made of Mylar (for warmth or protection from rain)	Snack food (granola bar or other packaged food that doesn't mind extreme temperatures)
Extra eyeglasses in case yours get broken (an old prescription is better than none!)	Clothing (any old jeans, jacket, tennis shoes will do)
